Division stated that inasmuch as a qualified replacement is available from within the Division, the need for his services is not a basis for such extension. The Director of Logistics recommends an extension for one year only be approved based on compassionate considerations. He further recommends that to preclude being confronted with additional extension requests, that

25X1A9a [REDACTED] be requested to sign a retirement application form if his present request for extension is approved. The Deputy Director for Support stated that he cannot concur as a matter of principle, but would not object if the Board should permit extension for one year only. The Board recommended that Mr.

25X1A9a [REDACTED] be granted an extension until 14 September 1970 based on compassionate considerations. The Board further recommended that prior to this case being forwarded to the Director that [REDACTED] be asked to sign a re- 25X1A9a
retirement application effective 14 September 1970. This was discussed with

25X1A9a [REDACTED] and he signed the application as requested, and this fact was made a matter of record in the memorandum to the Director. The Board also

25X1A9a recommended that [REDACTED] be urged to work with the Retirement Affairs Division, at the appropriate time, in an effort to secure outside employment following retirement.

9. The meeting adjourned at 3:10 p. m.
